What is ReeVue?

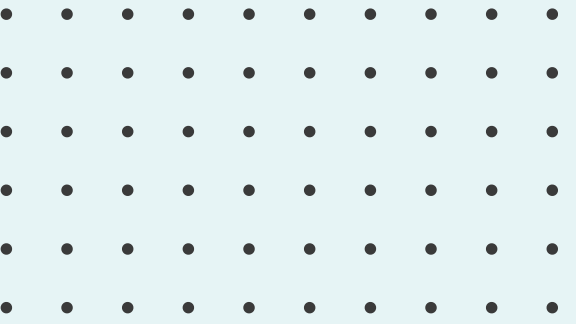

A community-first platform mapping real interview processes and workspace environments to guide prospective candidates.

The Vision:

"Think of it as Google Reviews — but specifically engineered for companies and job interviews."

Project Overview & Vision

Transparency:

Real candidate feedback on interviews and offer rates.

Anonymity:

Psychological safety allowing honest reviews without retaliation.

Community:

Job seekers helping job seekers make informed career moves.

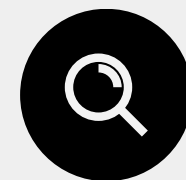

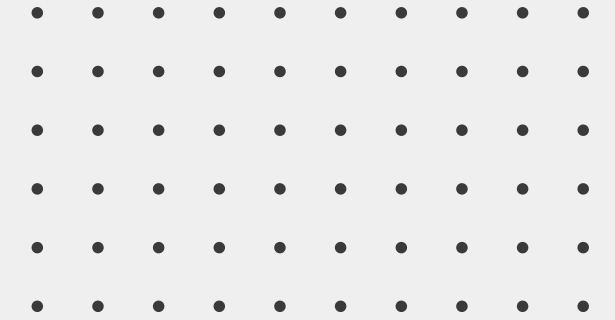

Primary Value Pillars

Market Pain Points

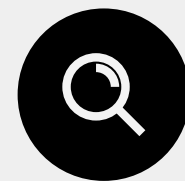

The Problem Grid:

Unclear Interview Process:
Candidates don't know what to expect.

Fear of Speaking Up:
Employees worry about sharing honest feedback.

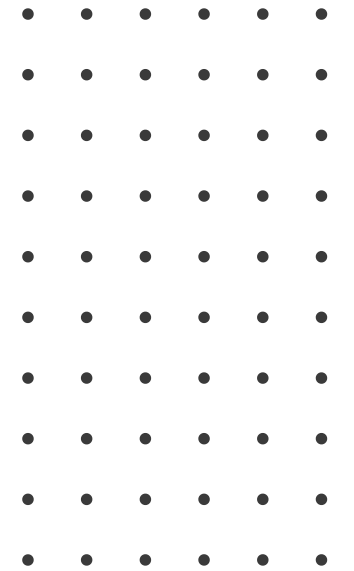

Hidden Information:
Salaries, benefits, and work culture aren't transparent.

Spam & Fake Reviews:
Public platforms often contain unreliable or misleading

Systemic Solutions

Interview Transparency

Real interview experiences and timelines.

Anonymous Reviews

Safe, honest employee feedback.

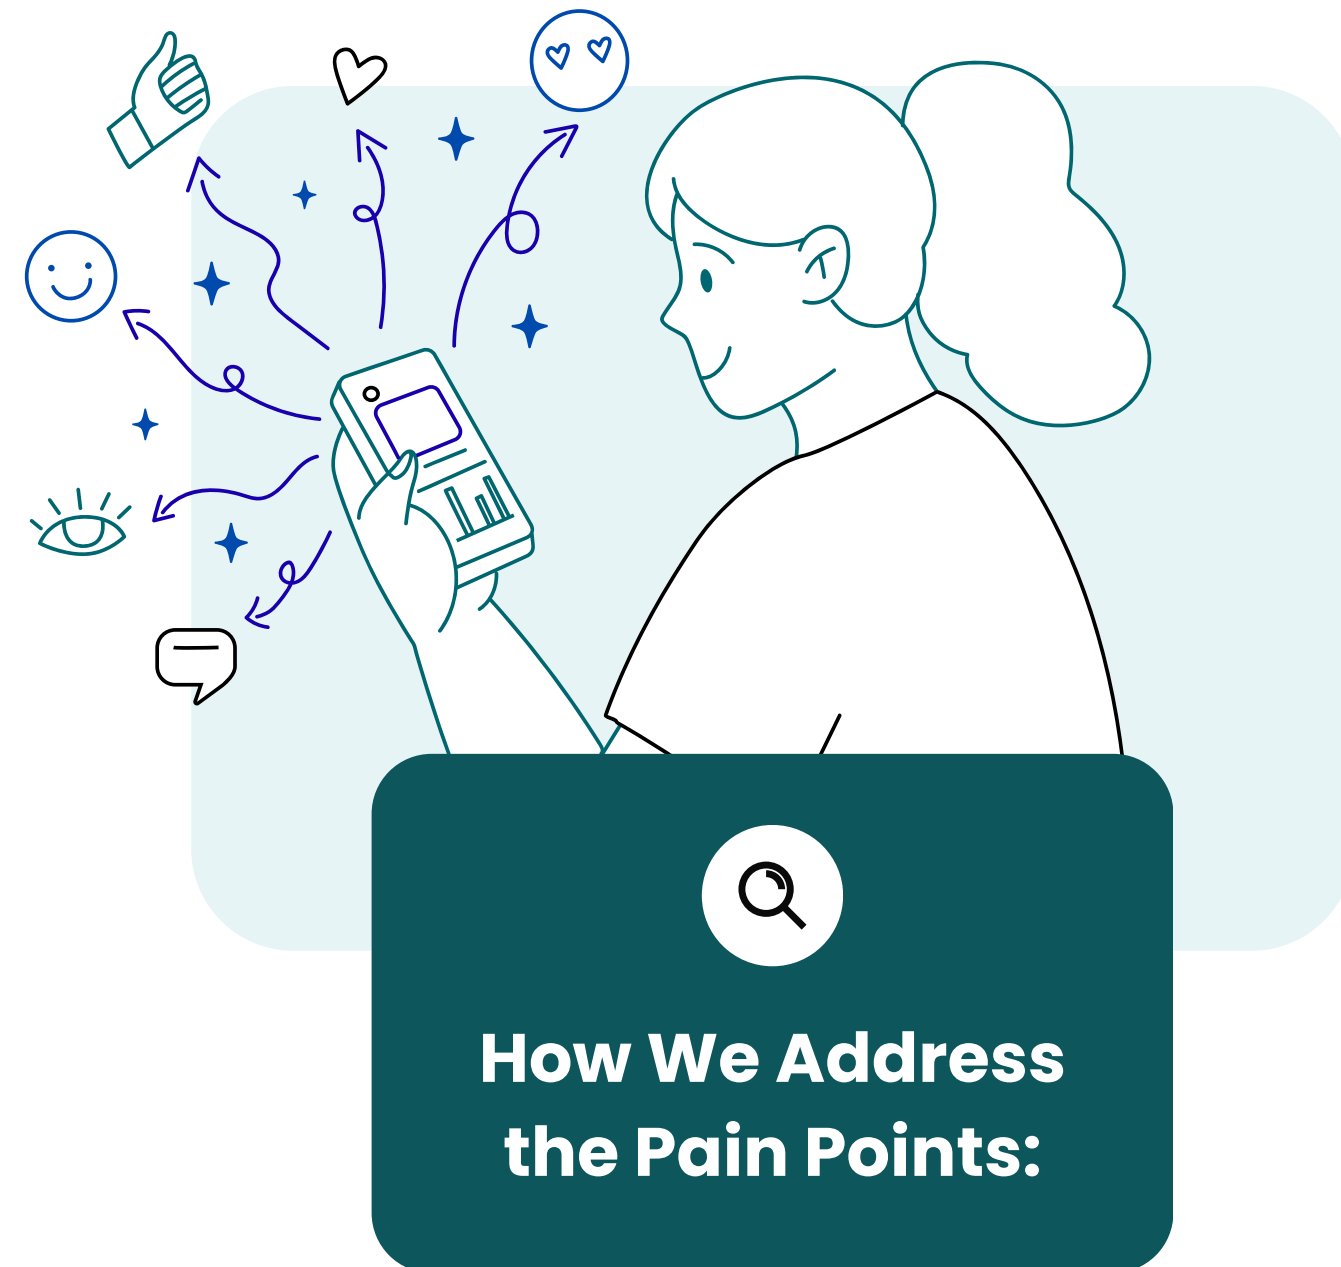

Workplace Transparency

Salary and benefits shared openly.

Verified Content:

Moderated reviews to reduce spam and misinformation.

Core Features

Making Career Decisions More Transparent

ReeVue empowers job seekers with anonymous reviews, company ratings, interview insights, and a guided review process—all in one trusted platform.

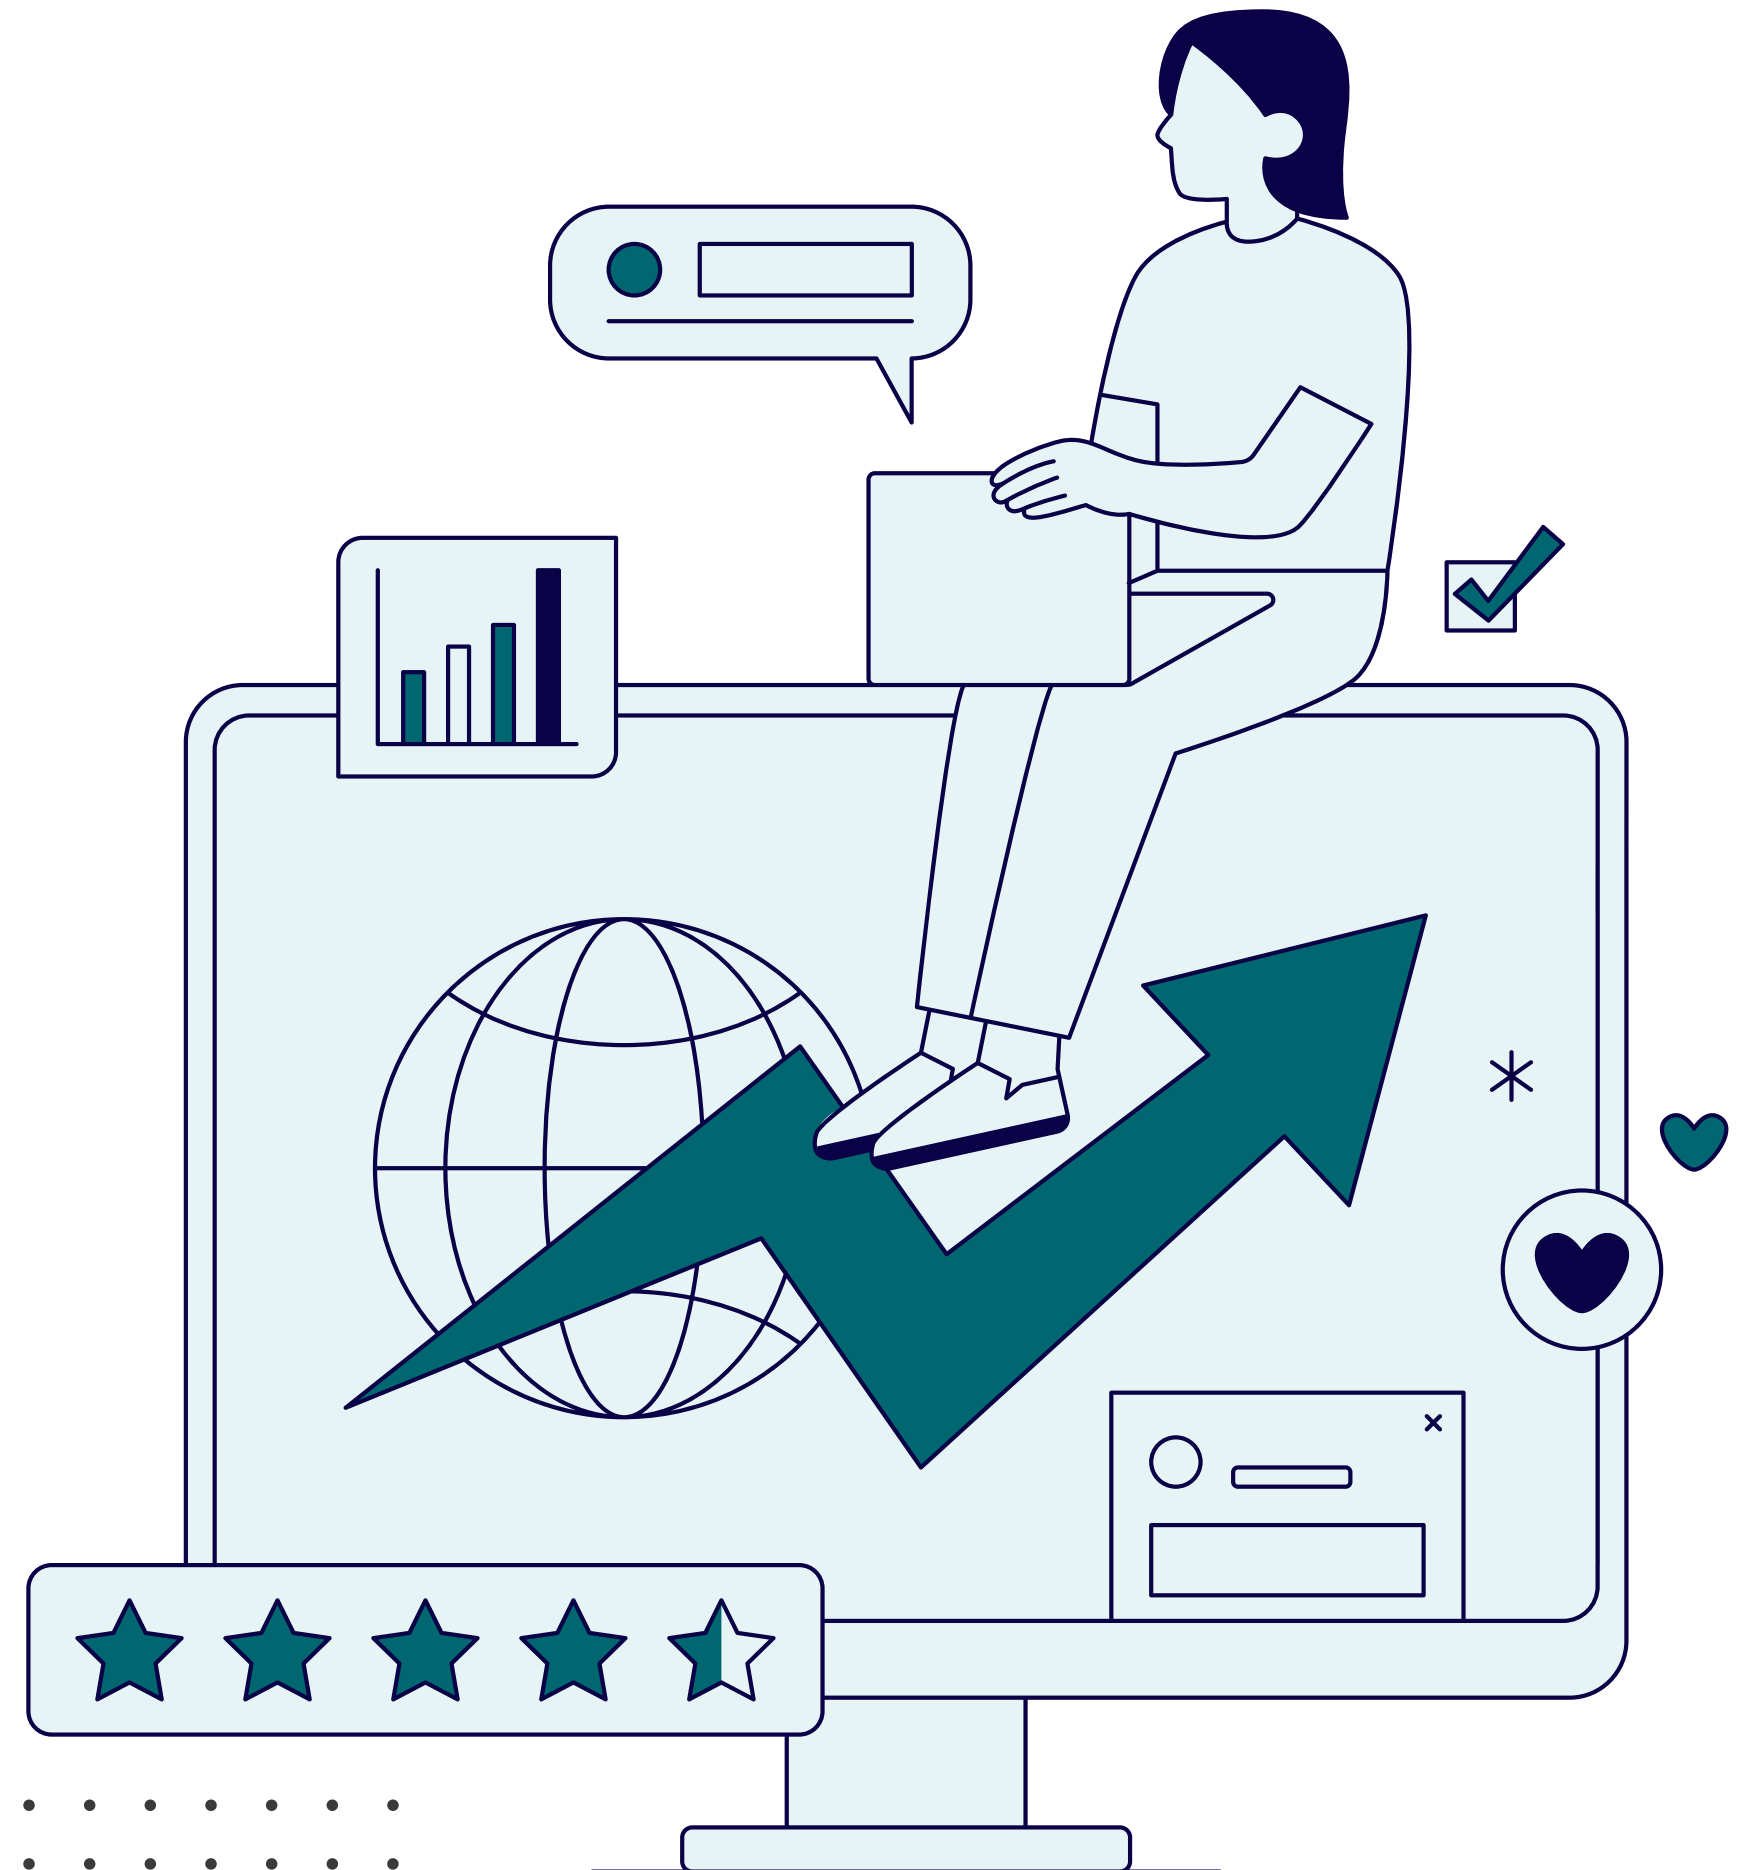

TECHNICAL STACK

- **Frontend: React 19**
- **Routing: React Router DOM v7**
- **Backend: Firebase (Firestore & Authentication)**
- **Styling: Bootstrap 5.3 + Custom CSS**
- **Build Tool: Vite**
- **Deployment: Vercel**

FUTURE DEVELOPMENT & ROADMAP

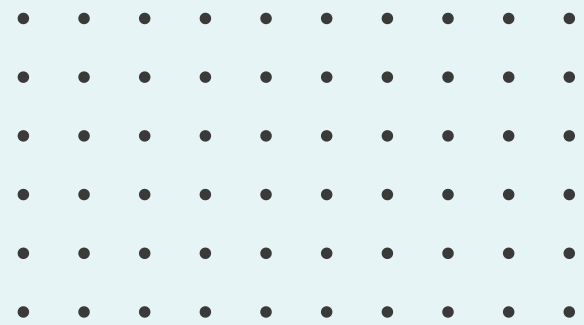

- AI Moderation: Detect toxic or inappropriate reviews.
- Email Notifications: Alerts for new reviews and salary updates.
- Salary Analytics: Interactive salary trends and insights.
- Company Responses: Verified employers can reply to reviews.

CONCLUSION

in conclusion, ReeVue is a practical solution that helps job seekers make informed career decisions through anonymous reviews, interview insights, and transparent workplace information. By using React and Firebase, we built a secure, responsive, and scalable platform through effective teamwork. We would like to thank our supervisor, Hesham Mohammed, for his valuable guidance. Thank you for your time, and we welcome any questions.
